PRESIDENT'S MESSAGE

Dear shipmates,

As your president for 2011/2012 I pledge to do everything in my power to make sure that Branch 24 continues to be the greatest branch in the FRA. We are beginning to see more attendance at the monthly meetings and more members participating in various activities. Very special thanks to Shipmate Mark Intihar for his help with our Soap Box Derby Race team. Mark helped out on inspection day and again on race day and his support contributed directly to our success on race day. Be sure to check out the race day information on page 4.

Our joint installation of officers with the Auxiliary was a very nice event and was well-attended. My thanks to the folks at the club for a great dinner and a lovely evening.

Many of you know the branch has submitted a resolution to place my name in nomination for the position of East Coast Regional Vice President. We have sent notices to all the regional branches and I have mailed letters to all the current past regional presidents requesting their support. If elected to this position I will do all that I can to support the branches of the East Coast Region. I am looking forward to having a great year and working with you all to promote our branch and the FRA.

Yours in Loyalty, Protection and Service,

Don Hoover, President Branch 24, FRA

New Updates VA List of Vessels Exposed to Agent Orange

FRA urges all Vietnam veterans to review the latest updates to a list of U.S. Navy and Coast Guard (USCG) vessels exposed to Agent Orange during the Vietnam Era. The updated list (www.fra.org/agentorange) is maintained by the Dept. of Veterans' Affairs (VA) and is of particular interest to those former service members experiencing health problems related to herbicide exposure. If service aboard one of the listed vessels can be confirmed, it may help expedite claims for VA health and disability benefits. Veterans should understand that the list is not complete and presumption of exposure will not be denied solely because a veteran's ship is not on it.

To start a claim, contact your nearest VA Regional Office (www.vba.va.gov/vba/benefits/offices.asp) or contact Chris Slawinski, FRA's national veterans service officer, at vafra@fra.org or 1-800-FRA-1924 (ext. 115).

Revising the VA's Agent Orange policy is a top priority for the Association and is repeatedly addressed in FRA's congressional testimony and in discussions with legislators and their staff. FRA strongly supports "The Agent Orange Equity Act" (H.R. 812), sponsored by Rep. Bob Filner (Calif.), that would authorize the VA to presume service-connection for veterans and retirees suffering from ailments related to exposure to Agent Orange if they served in the waters off the coast of or in the skies above Vietnam. Those impacted by herbicide exposure and others are urged to visit FRA's Action Center (www.capwiz.com/fra/issues/alert/?alertid=32082506) to communicate with their elected leaders on this issue.

The article above and to the right came from FRA's NewsBytes. If you would like to subscribe to these important announcements, email member services at mserfra@FRA.org or you may view them online under "news" through your FRA account at www.FRA.org.

Senate Approves Panetta as SecDef

The Senate unanimously approved Leon Panetta to become the next Secretary of Defense (SecDef) this week. Senators from both sides of the aisle praised Panetta's work as director of the Office of Management and Budget (OMB) in the early 1990s and his most recent position as director of the Central Intelligence Agency (CIA, 2009-2011). Panetta is expected to assume his new post early next month, replacing Robert Gates who has been SecDef for the past four-and-a-half years.

One of Panetta's first tasks as SecDef will be to implement President Obama's plan to withdraw U.S. troops from Afghanistan.

Soap Box Derby-Branch 24, Youth Activities

Jointly with Unit 24 and the Club (FRC) we supported 16 drivers in this year's race and we captured first place in stock car division and second place in super stock.

Our first place winner in stock car was one of my grandsons Dustin Hoover Jr. (DJ) who will be traveling to Akron Ohio to represent the Branch, Unit and Club in the International Race.

Marissa Sink was our second place winner in the super stock division and she also won a trophy for best decoration for her car. Marissa's car is the feature car on the derby website and is also displayed on the FRC Facebook link at www.frcannapolis.org.

Check out all the great pictures of this year's race event at the DC derby web page www.dcsobboxderby.org.

This year all of our racers were new and I will bet that a lot of them will be racing with us for a long time. This is a great group of kids and it was really a pleasure to work with them in getting their cars ready and again on race day. Our drivers are already preparing for fall rally races in preparation for next year's event. Thank you all for your support of this great youth activities event.
